## **The “Joys of Working”**

From the beginning of time, man has found it necessary to work in order to survive. Although many things have changed over time, this has not! We still need to work to survive! But working is a good thing and helps us to develop character and discipline. Work gives us a sense of accomplishment and a sense of pride in doing something worthwhile. Work keeps us healthy in mind, body and spirit! All work well done is significant. So remember, do your best at whatever

## **JOB HINT #1**

If you can't find a full-time position, find two part-time positions. IT WORKS!

## **JOB HINT #2**

ALWAYS follow-up after you have applied for a position with a phone call and a return visit. It shows you really want the job!

## **JOB HINT #3**

Applying for one or two jobs is NEVER enough! The job market is tight and you will need to have 25+ applications out at one time to ensure success!

## **JOB HINT #4**

NEVER GIVE UP! And try not to get too discouraged with your job seeking

## **JOB HINT #4**

If at first you don't succeed, Try, Try Again!
