Driving to work, picking up our kids, visiting the doctor.

Simple tasks most of us do day in and day out — except for people in need. But now, you can donate your used vehicle to the Society of St. Vincent de Paul's National Vehicle Donation Program and help change that.

THE SVDP NATIONAL VEHICLE DONATION PROGRAM OFFERS SOME DISTINCT ADVANTAGES:

- Used vehicles may be turned into money to *provide critical items* such as food, shelter, housing, care for the elderly, or medicine.
- Your contribution is tied *directly to your location*. That means your donation will help someone in *your immediate community*.
- If necessary, the donation can provide much-needed transportation, which in turn may enable someone the *dignity* of keeping a job to *support a family*.
